Baby girl I love you so much, I know we didn't get to meet but your aunt lala loves you so much. I will never get to cuddle with you or spoil you like your big brother eli but know this that you are forever in my heart. You were too perfect for this evil world and you are in heaven right now looking down on us and your mommy and daddy. We miss you more than you know. Goodbye for now and we will meet you soon in eternity. Love aunt lala
