Didn't realize how much you were in my life until I was sitting with the ladies at the funeral home talking about you. We never got along because you always said I act like my mom...haha...but I also know that you would have done anything you could for me or anyone else. We have lots of good memories about you with us 4 kids. Especially after you got them fake legs. Lol. Keep an eye on my Mom. Say hi to my Dad and give him hugs from me please. Until we meet again keep riding that Hatley because we all know how much you missed it! Love you.
