Dear Lori I send my sincere sympathy to Lori on the passing of her dear mother Jean. May you be comforted during this difficult time. One of my many memories goes back a lot of years when I drove Debbie to college in Pennsylvania. It was raining and we were stopped for speeding. Well without thinking I asked the trooper if he wanted to get in our car out of the rain well I think Jean and the girls split a gasket trying not to laugh ( the trooper also had a sense of humor ) I didn't get a ticket and we went on our way laughing for many years after. With Love Aunt Anna
