My Uncle Frank, My earliest memory include my Uncle Frank, Aunt Ann and cousins (Francis, Bill and John). What wonderful memories, only as I grew older did I realize how great "family" can be and how much influence they have on your life. Well, Frank Ashlock and his family have been and continues to be a great blessing in my life. I already miss my Uncle and my prayers and thoughts are with his family. What a great guy he was and I'm so fortunate to be one of his nephews. Lanny Ashlock

God's Garden God looked around his garden and found an empty place. He then looked down upon the earth and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful he always takes the best. He knew that you were suffering he knew you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb. So he closed your weary eyelids and whispered, "peace bethine". It broke our hearts to lose you but you didn't go alone, for part of us went with you the day God called you home. Love you Grandpa love Kelly

Grandpa was a true angel sent from god. He taught everyone that ever came in contact with him to laugh have a good sense of humor, do not judge, love one another, spend as much time with your loved ones because you don't know when god calls you home. Grandpa was salt of the earth humble, witty, and his humors and stories were infectious. Grandpa will be truly missed in our lives. I love you eternally! Love always, Kelly
