Dear Uncle Ron, I know you are already missing Anne but we can all take comfort in knowing that she is in the arms of the Almighty where her mind is clear and her body strong. Aunt Anne was always dear to me and helped me through some difficult times in my teens. I will always treasure memories of our times together. I love you and wish I were close enough to hug you today. Love and Prayers, Gaylene

Anne Dunton was like the elementary school teacher you had as a child – the one that was strict and demanding, but would do all she could to make sure you learned what you needed to know, and so you developed profound love and respect for her. She and Ron were stalwarts in the life of the church. I especially remember them roller skating together at a church function, gracefully circling the rink with arms linked together, looking completely content with one another. What great examples of what Christian faith looks like in daily practice. God's peace and comfort to you, Ron, and all the children and grandchildren. Bob Getchell
