We have been in prayer for you Kelly, Ethan, Isaac, Charolette and Warren, and Elise, an especially for Kayden. Since our meeting on that tragic evening we have been so impressed with the love your family has for one another. We know Our Lord will meet your deepest needs as His grace is always sufficient in the exact measure needed. Not only do we extend our own condolences, love and encouragement, but also on behalf of the Franklin County Sheriff Department, the EMS, Franklin County Search and Rescue, and all the personnel involved that evening. Since that day MANY, MANY local people have inquired about how you and Kayden are doing. Through the time we were with you and your family that it seems we became part of that family for that brief time, but rest assured that we will not forget you and will have you in our prayers. May God bless you! Chaplain Ted and Phyllis Darling, Ozark, Arkansas.
