There are so many wonderful memories of Betty. One of my favorites is of her wedding day. She married in McAlester and drove her car over there. Since she was leaving with Orel, she had me and Linda drive her car back to Ada. That was the first time I had driven a car that far on the highway by myself. She was a trusting soul. I loved her so much.

Nana, you are such a beautiful soul & the memories I have of you will last me a lifetime. I feel like I grew up in that house with you & Papa..I don't remember ever seeing you get upset or mad, but I certainly remember a bunch of good times. Early McDonald's trips & sausage biscuits, softball games, the old Lumina, taking us to church as kids, dropping us off at school & so much more. I never knew you as Betty, you were Nana & the best Nana anyone could ask for. I am so grateful for what a loving woman of God you were, it's peaceful knowing that you are resting at home with the Lord. Thank you for being such an amazing person. I love you, Nana. -Tara
