My favorite memory of Uncle Glenn is when I went to Tulsa to visit and he and Patti drove Garrin and I back to Terry. I remember doing a lot of singing on that road trip! Specifically, we sang "The Hole in the Bottom of the Sea". I still remember the song — the entire song — flea on the hair on the wart on the frog on the bump on the log in the hole in the bottom of the sea — and I have shared that song with my kids too! Great fun, great memories, and a great man! Love you Uncle Glenn
