I just want to express my sympathy to Betty's family. I didn't know her very well, but have memories of her and LeeRoy sitting on the side lines of the soccer games of her nephew, Jarret Clark. They were always very supportive along with her sister Barbara and husband, Eugene, Jarret's grandparents. You could see the close relationship and what family meant to Betty. I know she will be truly missed and I offer up my sincere condolences to LeeRoy and Barbara. I know how much you loved Betty. She was a blessed woman.

There is not a post box big enough to express my love for you. I loved every moment i had with you even when i was too young to truly understand and appreciate it. You had an unconditional love for me that was irreplaceable. Yet you bared no children nor grandchildren and embraced me so much as such ..before me my father whom i know u adored. And then my mother as you grew to love and see how much she loved and cherished you. I know how much you loved and appreciated Scheneiesta. ..and you so forever filled her heart with love and Family memories she will forever cherish. Though i wished for a better ending.... i will forever cherish our last moments as well as the last years me, you, momma, dad, and uncle Leroy went through loving protecting and being there for you in your most time of need. I love you and will never forget the things you said and how you loved us. You are beautiful and we love and like you!!! ??
