I was shocked and saddened to hear of Michelle's passing. She was my first childhood crush and gave me my first French kiss in her parents camper. We were in the sixth grade. I last saw her about 15 years ago and we talked about it (everyone remembers their first kiss). I remember Natasha and her being very close sisters. I use to play the 1974 song "seasons in the sun" by Terry Jack and think of her. Well I have played it a few times lately. I hope the family finds comfort through God and I'm praying for you. I grew up with Kyle and Michelle was like a mom to a lot of us in the neighborhood when we were kids. It's hard to believe that she is really gone. She was an amazing woman and I will miss her deeply. My heart goes out to Kyle. I can't even begin to imagine what he is feeling right now.

It saddens me deeply that her life ended so soon. I first saw her at Ruth and Cub's house on 9th Street in Tulsa. She was a beautiful little baby. It just isn't right for her to be gone. My heart aches for you, LoWilla.

Well Michelle some would say had a "gift of the pen".....She wrote some amazing poetry and I was lucky enough to be a recipient of a couple of them.....But I know that some of you (and you know who you are) have experienced "THE LETTER".....If you were lucky enough (and I say that laughing) to receive "THE LETTER" well then you either mad her mad or done something really bad.....When I would find out she was writing "THE LETTER" to someone I would laugh inside, thinking "your gonna get it".....So Thank You Chelle for not sending me "THE LETTER" I will miss you FOREVER!!!

To everyone that knew Michelle she will be greatly missed. I have know her since the 7th grade when we atended school together in Tulsa. She would evently move to BA and we would again run into each other again in BA ! It's funny when you run into good friends later on in life. It was really ironic when we all ended up having the same friends but never running into each other and becoming friends for life ! Girl you will greatly missed , especially your goofy personality. Remember spending the night at your house and sneaking out and got busted every single times ! I will never forget those times.....LOL You will never be forgotten ! RIP My friend and you will be meeting the good lord very soon. Be our angel and look over all of us each and every day. We all love you very much and will miss you terribly. One day we will all meet each other again and it will be a very joyous occaision ! Love you and miss you girl ! Veronica1
