Wayne you will be missed by so many, as the daddy of my best friend Sheila I have many fond childhood memories of going to races at Tulsa fairgrounds. Your smile was incredible and will be missed. My latest funny thought of you is you having to wear a tie for the wedding and I asked you if it was too tight or felt ok, your reply was it would feel better if you could throw it out the door and it landed in the street!! No ties to wear in heaven wear your racing tees and ride free!

Wayne was a great mentor and just an all around great guy! I loved talking to Wayne about Cushman and Allstate scooters. Wayne will be greatly missed, not only in the Cushman Club, but to all of those who knew him. I, like many others, know Wayne is riding on one of his beloved Allstate scooters right now in Heaven. My sincere condolences to Wayne's family during this time of mourning. Marty Green

Kev and I first met your dad at the Knoxville Nationals (IA) about 12 years ago. We became friends and enjoyed visiting about the racing world. I will miss the weekly articles that he sent to me as well as our Sunday calls to each other to "try and solve the problems with NASCAR". I also will miss his smile, our times at Knoxville, going out to eat, and the auctions that we attended together. Knoxville will not be the same without him there but know that he will have the best seat in the house. Prayers and thoughts to you and the rest of the family. Kevin and Connie Siepker Jackson, MN

Where do I begin? I've known Wayne ever since joining the CCOA back in 1986. Wayne and I have been friends ever since. His vast knowledge of the Cushman Allstate scooter was a valuable source for restorers everywhere. Wayne was instrumental for the reproduction of many rare parts for the Allstate scooters. Wayne will be sorely missed by collectors everywhere. My condolences go out to his many friends and family, my prayers are for comfort and healing during these days of grief. Farewell my friend. Dearest Bonnie, Sheila, David, Cindy, and family...my deepest sympathy goes out to all of you. May God's peace that surpasses all understanding comfort you in this very difficult time. Even though it has been many years since I have seen Wayne I remember his big smile and sense of humour. My prayer is that knowing he is rejoicing in Heaven will bring much comfort. Much love Tana (Hendrix) Pate.

Daddy I honestly don't know where to begin. There are not enough words to describe how I feel about you. I already miss you so much. I didn't want to let you go. What I wanted more than anything else was for you to be free from the pain. I miss seeing your smile, hearing your voice, sharing Mexican food and much much more. I can't wait to see you again. Thank you for being the best Dad ever. I LOVE YOU!!!
