I didn't make it to your funeral, I wish I had. We said goodbye years ago when you retired. I worked with Wayne at Ford, for years. Back in the early 80's we would go play pool after work, and he talked the Qspot into setting up their snooker table so I could get good enough to challenge him. Can't say that I ever really got good enough, but an occasional win was enough. Rest in peace Wayne.

Thank you Steven. My dad was one helluva snooker player and in turn an even better pool player. Not many did beat him. I miss him...
