One of Bob's favorite expressions was if someone was driving too slow "well, if they were going any slower they'd be backing up!" Another fond memory is when he was looking for a parking space, he always seemed to find one at the door of the establishment. Even today I say Lord let me find a "Bob O'Bar parking spot." He was a very special man and a great brother-in-law. Always welcomed Dixie's family and was awesome to our brother. LaNell Luthi Hartwell, Georgia
