Louella – what a special lady and friend – so smart and so kind with such a sweet spirit. It was always good to see her at the Oklaunion School reunions. I was hoping to see her again in July. I do plan to see her again some day where we can spend an eternity with no more sadness or illness or disease, and unlike the dirt streets in Oklaunion, we can walk barefoot on the streets of gold. What a day that will be! To all the family – May the God of hope give you peace and comfort as you trust in Him. Sending love to all of you. Jean Craighead Smith.

So many precious memories of my sweet sister. Best times, playing Ping-Pong in their front yard in the evenings. Our kids running all around us. Now and then beating our husbands, as it was always us against them, but then they may have been merciful to us. Laughter, laughter and more laughter. Precious memories, how they linger!!! Luv you always sis; 'til later. Sally-Patton Stevens
