Michael "Mike" Douglas Turner

JUN 12, 1965 - APR 28, 2014

Michael “Mike” D. Turner was born June 12, 1965 in Oklahoma City, Oklahoma. He was the youngest of two children born to Ronald Turner and Linda Carroll. Growing up in Moore, Oklahoma Mike attended Moore Elementary and High School. Mike would later move to Broken Arrow, Oklahoma. Mike became involved in a group called the BA Chivers. The BA Chivers, are a local non-profit, 100% volunteer community/charitable organization. Mike was involved in every event the BA Chivers; he put on and donated his time and money to benefit the charities that the BA Chivers supported. No matter what the charity was, or who it benefited, Mike would always approach the event with an open heart and an open mind. Few people know what it means to “Chive”, but Mike was the epitome of what that meant – helping your fellow man with no want or desire to reap any kind of benefit in return in an effort to make the world a little bit better through random acts of kindness. Mike was just that. In addition to the BA Chivers Mike was very much and advocate for his beliefs in politics and even had the opportunity to attend two Inaugurations in Washington DC. When Mike was not advocating for his beliefs he loved spending time with his family and friends. He was known for upbeat, vivacious, happy, vibrant personality. He was always full of energy and had a larger than life attitude. Everything Mike did was over the top including the annual Halloween Party that he and Cyndi held. Mike loved fishing, boating, camping, bowling and riding motorcycles. Mikes larger than life personality impacted every aspect of his life including his work. He was always trying to better himself and had just completed his 3rd year of an electrical apprenticeship program. Mike will be deeply missed by all his friends and family. Mike is survived by his spouse Cyndi Sweeney; son Nial Sweeney; daughter Sydnie Sweeney; son Calvin Sweeney; father Ronald and his wife Linda Mae Turner; mother Linda Kay Carroll; sister Tammy Lynn and her husband Jerry Zakrzewski and niece and nephews Michael, Sabra and Alex. I did not know Mike but my best friend Delores and her husband Bill are close, longtime friends. She has shared her cherished memories and funny stories with me and told me what a wonderful human being he was. I wish I would have known him but hope his family and friends know that he absolutely made a difference in the lives of others. My hope is that they can find some peace knowing this and that they can gather strength and support from all who love him. Kat Abercrombie

It's easy to feel a significant loss when your family and your long-time friends pass away – there's a definite gap in your day-to-day activities that they filled. But then some people come into your life for just a very short time that have such a significant impact on you, and losing them is just as difficult as one of your family. That was Mike – such an incredible spirit and kind soul that you could not help but be drawn to him. I didn't see Mike (or Cyndi) very often – but i will always regret that I won't have the opportunity to be amazed, and amused, by him in the years to come But i will always remember, and be grateful for, the short time he welcomed me into his world and the memories he gave.

Cyndi, we've never met in person, but you are a cherished soul I've been blessed to meet via FB. Likewise, I never met Mike...but the love and connection between you two was so evident from your FB pictures. While mere words don't assuage the immensity of the grief and loss at this time, please know that my heart reaches out in comfort and love to you...I'm so glad that you and Mike shared precious moments together...Allow the memories of him-of you both- to gladden and warm your spirit. Love and light to you and your family.

I knew him by his smile, his love for those in his life and by the heart-felt grief of his friends... May his family draw comfort from the love he had for them and the gift they were to his life...
