Dear Debbie and Gary, Your mother was truly the best friend that a person could have and I loved her very much. She will be so missed. I truly thought of her as my best friend for the past almost 40 years. She was always there for my family and I under all circumstances. Your mom and dad were both so good to my parents in so many ways. Beyond that she was a second mother to my kids while I had to work and for that I could never thank her enough. How many people would you meet in a lifetime who would pack up their bags and go with me to Austin for 3 weeks so I didn't have to leave Alycia when she was only 2 years old? There are so many things that I could say that she has done for me but the list is too long. Just know that she was a special special lady and that I truly feel your loss. May God be with you in the days ahead. Love, Kathy Calkins

Debbie and Gary, So sorry about the loss of your mom. She was such a sweet and kind woman. I always remember her from the family dinners in Cherryvale. She and Uncle Bob were always my vision of the perfect romance. You are so lucky to have had such wonderful parents, so sorry their time in this life was too short.
