# Justin Ray Jackson

JUN 24, 1982 - APR 2, 2014

Justin Ray Jackson was born June 24, 1982 in Tulsa, Oklahoma to Mark Jackson and Kellye Faulkner. He was the oldest of two children and later inherited a little brother as well. He graduated from Union High School in 2000 and attended Oklahoma University. He pursued his career in quality assurance at Auto-Turn in Broken Arrow. Justin was born an “old soul.” Even as a young child, he was often the responsible adult. He loved and valued knowledge and learning, including a plethora of useless information. He easily accepted the role of an amazing big brother and made a huge impact on both his siblings. Justin was a loyal, faithful, and kindhearted person. He was selfless. Some of his favorite things were music, art and fine whiskey. He loved being outside and spending time with his family and friends. Some of his fondest memories were of times spent at the cabin. He loved to learn, loved to share and loved to joke (at your expense, of course). Justin loved to love, and he loved BIG!!! About 8 years ago, Justin and Sally began their life together. They were best friends that fell in love. Their “wish” came true on 11-11-09. They have two beautiful children and often dreamt of their future together. He was a devoted husband to Sally and an incredible father to Sophia Ryann and Connor Ray. He was their everything. Justin left behind: wife, Sally; children: Sophia and Connor; father and wife: Mark and Jennifer Jackson; mother: Kellye Faulkner; siblings: Jimmy and Ashlye Dacyczyn and Hunter Whorton; in-laws: Al and Illene Seino; sisters: Amanda, Elizabeth and RuLynn. In addition there are grandparents, aunts, uncles, cousins, nieces, a nephew, and numerous friends. Justin Ray Jackson has gone to a better place, but the hole he leaves in the hearts of his family and friends is irreplaceable. He will be forever missed. Memorial Service will be 2:00 pm, Monday, April 7, 2014, Guts Church, Tulsa.

I worked with Justin at Auto Turn. We seemed to get along real well. He had helped train me on some equipment in inspection. He would go very in depth with all the information He knew about training me right and was very patient with me, when I would ask the same questions over and over. He will be missed. My prayers are with all the family and friends. May God Bless you, comfort you and keep you. Greg F.
