There are just too many wonderful memories flooding my mind of Aunt Ellen. I just looked at pictures of her at the Buck Snort Saloon in my home town of Pine Colorado! I will never forget her grin describing the buck snort burger she just ate! This time I don't need to ask my childhood question of What ya doin Aunt Ellen? I know you have now joined the loved ones you have been missing for so long! Deb

Aunt Ellen drove all the way to Colorado for my wedding reception in 2006, it was the first time that she had ever left the state of Oklahoma and it meant the world to me that she was willing to take that on to celebrate with us.

My best memory with Aunt Ellen....was trying to fly those silly kites on that strong windy day with the Grandkids. You were a very Strong Woman with a Soft Gentle Heart.....we will all miss you dearly.
