Daniel Kubek Sims

AUG 17, 1992 - MAR 11, 2014

Daniel was born August 17, 1992 on the island of Guam. He was the first of eight children. Daniel and his family moved to the United States when he was 4 yrs old and because of his fathers career continued to move through many states until they settled in West Virginia. After graduating from Calhoun County High School, he joined the Air National Guard. He later transferred to the 138th Fighter Wing in Tulsa, Oklahoma to further his career in the Air Force. While stationed in Tulsa he became a member of the Honor Guard. He was a picture of excellence and accepted the challenge of perfection where he proved his capabilities time and time again. Daniel was not a religious young man, he was a Christian. He was brought up in a home that instilled in him great faith in God and the authority of His word. At the young age of eighteen he made a public commitment and was baptized and confessed Jesus Christ as his Lord and Saviour. He became a light to the world, and all who spoke to him and saw the glory of God on his face could see what Jesus said, "A city that is set on a hill cannot be hidden". Daniel let his light shine and all saw his good works. Daniel is waiting in heaven to greet his mother and father, brothers, sisters, neices nephews, and all who put their faith and trust in Jesus Christ. His mother and father being Peter and Linda Sims. His brothers and sisters being Jackie and Kevin Ruefly, Carla and David Kukoleck, Lisa, Ellio, Darren, Raquel, Rachel, Jesse and Justin Sims. His neices and nephews being Benjamin and Catlyn Ruefly, Josiah and Jedediah Kukoleck, Zemiriah and Keith Hardman, Trenton and Austin Sims, and Artimus Sims.

I am Daniel's Aunt Diann. Sister to his mother Linda Sims. Looking at Daniel now, takes my breath away. But the first time I laid eyes on him, was when his Mom took him, his brother Darren and sister Lisa to Florida to visit family. I went as well to take the opportunity to see the new babies. Danny and Darren were infants. Not even a month old. My sister thought this would be a great time to take Lisa to Disney, leaving the boys with me. They went for THREE days!!! Yes, it was quite something. Feeding, changing, rocking, and non stop cuddling. They were so precious. At the time it was almost over whelming. I took the the mattress off the sofa bed and the three of us stayed there for three days. They smiled, made sweet little baby sounds, stretched and peacefully slept. I held one or the other the whole time. I now look back at that time and cherish those three days. Just us! I sob when I think of Danny because he could have lived so long and enjoyed life. I know with everything that I am, that he is in the arms of Jesus and we will see him again, but right now I wish he was still with us.

I'm Danny's sister. I just remember how nanny boy was a stickler for rules and order since he was kid. He got the chicken pox as a child and he and I rode with our mom to the grocery store. Mom told us to stay in the van and she told Danny not to scratch at his pox or he could have scars . 15 minutes go by and Danny starts to itch. So he starts whimpering quietly , " mommy it itches!" I tell him that moms not here and he can just rub it if it itches. He started yelling at me, " NO MOMMY SAID NOT TO!" And with that he continued to scream at the top of his lungs," MOMMY IT ITCHES!" Lol my mother soon returned to the vehicle and rubbed his itchy spot.

Dan was one of my 'boys' when I was a teacher and the athletic trainer for the Calhoun High football team. He had an infectious personality and smile that could brighten anyone's day. Over the years I have had hundreds of students come across my path. Dan is one of the few that I will always remember, because he stood out from the rest. I truly feel that my life is better for having known him. My prayers are with you in this loss.

Daniel was always kind. I never heard him say a negative word about anyone or anything. He strived for perfection in everything he attempted, second best was not an option to Daniel. He will be sadly missed by everyone who had the pleasure of knowing him, and I pray for his family that they will turn to each other and come together for each other in this sad, sad time.

Daniel was on my track team at Calhoun. We had a meet at Roane and Daniel, Nathan Cosgrove, Cam Litviak, and Mark Bedree decided to stop at the Sugar Shack on the way over and take a nap. Two hours later they stroll into the meet crossing the football field without a care to the world. They had no idea everyone was calling wondering where they were and worried about them. Needless to say I blew a gasket and chewed them a new one. They then decided I needed a group hug and I got a smelly one. This group of boys went on to place at the State Track Meet in the 4×100 relay. Daniel was my only senior on that relay team. Daniel you will be missed and I will be sending prayers to heaven and to your family. Coach Melinda Fitzwater

Daniel was a wonderful young man. He was an integral part of the N.C. Mission team each year when he lived in Calhoun. He had an infectious smile, a big heart, and a passion for the word and the world. He came back to N.C. one summer, where he stayed at our house some, and did lots of visiting. He will be missed terribly, and the family will continue to be in our prayers! RIP Daniel my friend. Until we meet again. We love you! Wendy, Ryan, and Josh Couch, Mebane, N.C.
