To The Starnes Family, So very sorry for your loss. I have known Gail from several bridge groups. She was smart, fun, kind and a good card player. I'm very lucky to have known her. Know her friendship and laugh will be missed. Mary Jo Isler

Gail helped my parents, Bob and Ruth Donnelly, when their property was taken under eminent domain for the Creek Turnpike. They were quite stressed by the event—they didn't want to move but had to do so. Gail was patient and very kind as she helped them deal with the Turnpike Authority and also helped them find another property to purchase. She was truly a hero for our family, and we wish to give our sympathy to her family in this loss. Sincerely, Linn (Donnelly) Ball
