We were saddened to hear we lost Mary K. She went to school with us until her family moved to Tulsa around 1954. We heard of this loss on the day of the funeral. We would like to share some good school days with the family. She was a very special friend in school. Broken Arrow Class of 1956.

To Paul and the girls... Kay will be greatly missed and I will keep all of you in my thoughts and prayers. "Momma Kay" ,as she was known when we worked at NUSONICS , was a joy to be around and work with. We were like a little family at NUSONICS, and Kay used to get all excited about Zee (our company dog) running through the building after the catering truck. Kays laughter... I can still hear it. God Bless to all.
