I have so many memories One that stands out is when she was taking me to the zoo I was standing in front between Betty and Mom (I know right) that was when your parents arm was your seat belt. There was a road block ahead. Cops checking inspection sticker and you guessed it hers was expired. Betty says to me 4 years old Tami cry because if I get a ticket we can't go to zoo I won't have the money . So when officer comes to window I say my aunt is broke and I'm suppose to cry so I can go to zoo and I pull out a penny from my overhauls and say that should cover ticket cause if it don't I'm not going to the zoo So long story short he gave her a warning but I never heard the end of it cause I did not cry.
