Aunt Grace was a very special person—I have so many good memories of the times she and Uncle Glen would come to visit us in Ohio. My mom (Hazel Burford) loved them both very much. Bonnie Kibble Brooks

Mama, I'm going to miss you so much. I remember when your eyes used to sparkle. When you walked into a room it lit up. When you left, everyone felt better because you had been there. You were so special. If someone was hungry you fed them... If they needed a place to stay, you always had room for them. God let me have an Angel for my mother and I am so thankful for having you. See you in Heaven.....
