Suzanne, Tim, Sarah, Spencer, and Sawyer – My family and I loved Thelma Lee very much. She was a good friend to my parents. We will miss her. She always lit up when she told stories about her grandchildren. It was obvious that she dearly loved her family. I want you to know that my daughters always said she reminded them of Julie Andrews, of course your mom is more beautiful and God gifted her with talents that she used to glorify Him. I'm so thankful that I was blessed to know her well. Warmest regards, Lori Thornton-Henson, Mark Henson, Isaac, Autumn Rose, and Sophia

Suzanne, I will always have such fond memories of your Mom and Dad. They were both such a big part of my "growing up" years. Often like my second set of parents. They took me to church with them, on vacations, to 'the store', and let me stay for many sleep overs. I will always hold a special place in my heart for both of them. My love goes out to you!
