I remember about ten years ago taking Hazel, mom (aunt Ivy) and jama's mom and dad to van buren to visit aunt fannie. We had lots of fun and laughs on that trip. this was one trip that Jama did not go on as she was at work and found out when she got home that we had gone off and left her behind.

One of my fondest memories (it wasn't so much fun when it happened) was Hazel always losing her keys. Even though Anita sent her that 'great big' key ring we would still spend a great deal of time finding it. Most of the time she would have laid something on top of it but it was always an adventure to hunt for them. We had lots of fun times together with her and your Aunt Ivy. Jama
