Not a day goes past that you are not on my mind, but yet forever in my heart. You are so very much missed, by many, and not just me.

Noemia was a very special lady. I so enjoyed knowing her and working with her. She had a great love for her family. Her eyes would just light up each time she spoke of Chris or John or Joe. Her nephews and family in California where so special to her and she spoke of them often. But oh my when that Grandbaby came she was over the moon! I will always remember her special canned Tuna which she stayed up all night canning. She brought me a big jar and it was amazing! She smiled so big when I asked her what the license tag on her white Ford Explorer said...She said "It says She's mine"...Joe got it for me" The love she had for her husband was exceptional. These were very lucky people. Such a beautiful lady and a lovely sense of humor and a kind and loving heart. You will be missed by so many including me. Kathy Campbell
