I miss you so much grandma! I named my daughter after you. I know how much you would've loved her and my son. So many things I wish I could tell you or just have another movie night would be the best. I can feel your presence sometimes and it makes me feel at peace. I love you.

She Is Already So Deeply Missed In The Daily Routine & All That Her Loss Entails Has Yet To Fully Sink In. Forever Is Too Long & Our Time With Her Was Not Enough. Thankfully She Can Be At Peace Now & Hopefully Watch Over & Understand Some Of Whatever Made Life Unpleasant For Her At Times... Watch Over Us From Heaven Grandma. We All Love & Miss You So Very Much Already...
