My heart is out for Brayden's family. I am unfortunate to never have had the chance to meet him, but I'm sure his family was more than blessed to have him in their lives. I remember the times when Scott was always happy to see Brayden and his sister. The family will definitely be in my heart and prayers. God bless.

Brayden is the sweetest, most loving boy, ready to please. He loved Music and dancing. He loved to tell me the corniest jokes, I laughed every time, especially at the ones he made up. I loved his laugh, just full belly. Our family has lost a treasure. We will miss him so much.
