I have known Pat for many years, her & Walt were "grandparents" to my youngest daughter Mayci. I cleaned Pat's house for her & we would sit & talk for hours. We talked about everything! She was the kind of person you could talk about anything to, she always listened. I know she was one of the kindest people that I've ever known!! I loved her, & even though I didn't get by to see her as often as I should have, I thought about her often & my daughter kept me informed on how she was doing. I am blessed to have known Pat for the many years that I did. She was an awesome lady!!!! My thoughts & prayers are with the family. Michelle Harper
