I love you so much Grandma. I wish we would have gotten to make more memories together and I wish that my daughters would have gotten to meet you. I know you are smiling down on us with Grandpa. I love you always.

I LOVE You Mom so very much & miss you more than words can say. I miss talking to you EVERY night on messenger on the computer. You are my best friend & it is hard getting through every day without talking to you on the computer. I still talk to you, but it is different. I love knowing that you are with Dad again. I am sure you are riding with him on his Harley in the sky ??

I love you Mom and miss you everyday. It gives me piece to know that you are in heaven with Dad. You have waited a very long time to be with him again. You are always in my heart and in my memories. I just wish that we had more time together to make more memories. Your grandsons miss you and love you. They know they have another guardian angel watching over them.
