M. Allen Day

FEB 25, 1927 - MAR 16, 2013

M Allen “Buck” Day, 86, of Broken Arrow, was born to Marcus Olen and Lena Marie Day, on February 25, 1927 in Muskogee, Oklahoma. He went to be with our Lord and Savior March 16, 2013. Allen grew up in Muskogee where he graduated from Central High School in 1944. He then went on to graduate from the University of Tulsa in 1951 with a degree in Geology. Allen enjoyed fishing, hunting, traveling, being with family, and finding Oil. He worked with Day and Brownfield, Williams Brothers Companies, Twin Eagle Petroleum, and was a partner in Road Runner Energy since 1987 until his death. He was instrumental in getting the World War II submarine “The Batfish” from New Orleans, up both the Mississippi and the Arkansas Rivers, to its’ resting place in Muskogee. Allen served in the Navy Air Force where he was a radio Man and Gunner on a Dive bomber. He had many interesting stories to tell while in the service. One happened during basic training at Purcell, OK. His buddy, Bob Baker and he used to brag to brag about “rabbit” hunting!. They would tell fellow recruits that when there was snow on the ground they would go get them. Armed only with a club most of the fellows were not from around here and half way believed them, some did not!. then “It snowed”, and all said “lets go rabbit hunting. We’ll get our clubs!!-Not sure what was going to happen, off they went, after a hilarious trip they got 13 rabbits and were heroes!. the mess hall cleaned and cooked all the rabbits. Preceding him in death, were his parents, grandparents, two half-brothers, and his first wife Flora Dean Guthrie of Muskogee. Allen is survived by his wife Mary, daughter Valerie, son Bruce, his brother Martin, grandchildren, many nieces and nephews, cousins, and many friends. He will be missed by all who knew him. We all know that he is now in a far better place, no more hurting, no more stress, just everlasting peace and contentment. Save us a place Allen and some day we will join and see you again.
