Janet was a beautiful woman. She touch my heart and became my best friend. She loved her whole family so much. She shared the love she had for her family and made me feel like I was part too. She brought me up when I was down. I would never treat her like she was sick and she was so strong trying to fool me on her bad days, we would just laugh at each other and say who's kidding who. I feel very blessed that she shared her family in Coweta and granddaughters with me. I love each one of you with all my heart and thank you all for sharing your Mother with me. God Bless This Wonderful Family...Kathleen
