Ricard Leon Wagle was a patriot, fought for our country in Korea, he was the Worshipful Master who helped me in the Catoosa Masonic Lodge # 185. He helped me in my business, he helped my family, and the commmunity of Catoosa. He supported every organization in our little town with honor. He was one of the kindest finest men i have ever met in my life. He was fair in his business, and honest. He has a great sense of humor. I will love him as a brother and always cherish our friendship. We have lost a lot, but Heaven has gained more. We will see you again Richard, God bless you and you family and friends. My condolences to Richards family for your loss. I will miss him. Richard did his best to hide his big heart from us, but it still shown thru. He was a good friend to me and my family. I saw him go out of his way to be helpfull to those who he thought needed a break on car repairs. I am sure you all saw that in other areas also. He left that legacy to Larry and I know he was proud of that. I regret that we didn't have more lunch's the past couple of years, but I will forever remember them. We lost one of the good guys.
