Linda brightened up my first year of college when we were roommates and also my last year of high school when we became friend. I remember her being so caring when I had some personal losses and she was also so bright, sensitive, and fun. This world has lost a wonderful and brave spirit. My condolences to all of Linda's family.

My heart hurts for the loving family she left behind, I know your lives feels empty right now. I didn't know Linda very well in high school, we were recognized each other in the hall, however, I remember she was always kind, happy and encouraging of others. You are in my prayers, may you find peace and comfort through God's promises of ever lasting life.

My sincere condolences to the Hildebrandt/Laird families in this time of sorrow. Linda and I were classmates through Junior and Senior High School. She was a very special friend and always excelled in class. Even though our paths crossed for only those 6 school years she left a lasting impression upon me to always do my best whether it was in class or throughout life. I'm so very sorry to hear about her death and I pray for solace and peace for her family....Jane (Huffman) McMurray
