I know that every one will remember Kelli as I did. She was a very loving person that always had a smile on her face or laughing. She never had a harsh word for anyone. I so enjoyed working with her and knowing her. She was a good friend and true friend to me as well as alot of other people. I will miss her dearly but I know I will see her again with the angels. God bless and protect her family and friends until we all meet again.
