My Aunt Ruby was one in a million. She brought many many years of love to me & my sisters during our childhood and beyond. She was always there with an encouraging word , a hug, during the bad times. A sweet smile and laughter during the good times. Her and Uncle Gene brought hope to us when there seemed to be none. I will never forget our trips as a child down the cookie isle in the store. The many unscheduled trips her & mom took with us kids. She has lived a great testimony, loved God and certainly loved her Uncle Gene. We are all blessed to have had such a wonderful person we can call family. Love you to the moon Aunt Rube!!!!
