Our thoughts and prayers are with Doug, Jeremy, Nick and the rest of the family. We wish we could take your pain away. Ann was a special lady. I remember when we got married and moved to the lake and Doug and Ann lived next door. I was pregnant and there was a big tarantula in our cabin. Bill and Doug were at work. I ran next door to get Ann to come help me kill the spider. Neither of us was brave enough to take on the spider so we went across the road to get Mr. Cooper to come and kill our big spider. That is a funny memory I have of our dear friend. Even though we did not see her for several years she is often thought of and she will be missed. Gloria Hale
