Marsha had always been quiet and private. She loved her family and you knew it by how her actions and devotion to her husband David, her sons and grandchildren showed it. She enjoyed her friends and the simple but most precious tmes spent with them. She was an inspirtation to all who were touched by the love of LIFE she had. She gave so much but asked so little. We will miss you Marsha but will always remember your wonderful smile and sweet disposition. I love you, Sis
