So sorry to hear of my friends passing it seems everyone on here explained Rudy the way I knew him he had a heart as big as the outdoors and would do anything for a friend. I remember one time at Christmas we had a terrible blizzard and the roads were almost impassable but Rudy wouldn't let me spend Christmas alone and he made his way all the way across town to pick me up. That's the kind of person Rudy was. the only person that wasn't a friend to Rudy was the person he had not met yet. didn't matter where or when he would come up and introduce himself. Rudy didn't have a shy bone in his body. I will miss you my friend but I will never forget you and when I think of you it will always make me smile RIP Terry Castle

To know Rudy was to love Rudy. He was so much fun to bowl with. Always encouraging and was a joy to see each Thursday night. He spoke fondly of his wife Lori and always had a picture of the kids handy to show off. He was so proud of his family. We finally met Lori at a Univ of Phoenix function and could see why Rudy was such a happy man. Lori, our prayers are with you and your family. Rudy will be greatly missed by us all. Will miss his warm smile.

Rudy Santiago is one of those few people whose name you can't say without smiling. He always made those near him feel valued and important. Rudy always put people first – he made time to speak to everyone, and always had an inappropriate joke to make you smile at just the right time. Several years back my car broke down on the highway on the way to a party at the Santiago home. Rudy left that party to help me, and got up early the next day to fix my car again. Rudy told me that he makes sure to do at least 1 kind deed like that for a person each day. Rudy, in your honor, I will make sure and do kind deeds each day, and always be ready with a dirty joke!

Growing up next to the Santiago family was such a blessing. My heart aches for the pain they are enduring. Rudy was the definition of happiness. There was no way possible to have a conversation with him and walk away with anything but a smile on your face. If it wasn't for Rudy I would have never passed high school spanish or survived my husbands deployment. He will be missed dearly by many. -So here is to Rudy the best neighbor and friend anyone could ask for. I know we will see you in heaven someday.
