Tracy Meiser lit a candle in honor of Chester.

My earthly father was an angel here on Earth as everyone on this planet was blessed to cross paths with Dad. The supernatural miracles of Heaven began on the evening of January 23, 2024, here because of my final vow unto God. To all those who have experienced a person infiltrating your family from the enemy in the form of elder financial abuse which was the cause of my father's passing.... Hear my words! God has sent signs and wonders to the family who did this to our family. God is the God of justice! God is the Vindicator of all who have stolen from our Christian families and He is reversing supernaturally all that was stolen from us. Praise be to our Lord! Watch what the Lord does in restoration to all of us who the enemy sent against us. The enemy is Satan. God to the book of Revelation! May all that was hidden in darkness be revealed by the Light of Jesus Christ! Amen! So be it!

Thank you Jackie. I think of you often! What great memories of all of us at our home with my parents. What awesome memories of Calvary Baptist Church BA days with my parents and with you, Bryce, Paul, Harry and many others. We were so blessed to have such a great father, my sister and I. Our children as well. Both of our parents were excellent servants unto our Lord. I miss them daily. I am thankful to know they all of us BELIEVERS will be REUNITED one day in Heaven. It has been a journey as my father & I were two peas in a pod. We did so much together. I was able to care for my mother for 4 1/2 months and then she returned to my daughter's home in CO. She passed on June 1st a couple of years ago now in her sleep. My daughter shared that when my mama took her last breath on earth and her first breath in heaven that she said " Chester..." Confirmation that even if your parents divorce after 27 years of marriage and even if they re marry as mine did that my parents were examples of getting along, spending holiday meals and family get togethers in Broken Arrow with out entire family were our way of doing things! They did things for one another and each other's spouses! The way it should be! My parents had a Christian love for one another. How cool is it that my daughter witnessed this as my mom passed peacefully in her bed at her home! It made me cry of course. Thank you all of you who shared those years and times at our home on Knoxville, at church, the sleepovers, my racing my Cutlass Supreme along with Lisa Partin :) and all those yards we papered back in the day. My parents loved all of you and they cherished their time with them all of you. I am thankful that God gives us memories and we see them in our minds. I feel their spirits around me all the time as I live on a large ranch in a northern state for the last 4 years. I can be walking over the land, watching cattle or working and almost reach out and touch my dad or my mom. It is the coolest thing!! I pray that all of our loved ones are right with God! There is no assurance of tomorrow so make sure they are. Jackie...and those concerts we went to where my dad had to rescue us at the Convention Center! I got you in to the Parliament/Funkedelic music back then summer of 9th grade. Wow! Wish we had our cool pantsuits right now and our Famolare platform shoes don't you?? I would be wearing those right now!! Ha!! My father had a smile always, a prayer warrior, an encourage, a humble man who loved his family and loved all the " kids " that played, stayed, and were raised at the Meiser house! May God bless us and one day we will all be rejoicing in Heaven! Amen! SO BE IT!

Our Dad & grandfather was an honorable man who loved & served the Lord. He did so many anonymous gifts and blessings to so many for all of his earthly life. My dad loved all people and yes! that smile was amazing. He felt every person's grief and loved them with bear hugs and tears. Our dad was an amazing man that so few in this world have the blessing to have as a father. His "two girls" ,my sister and I , were his pride and joy. When the grandkids came: Adriane, Jared & Logan they were equally his utmost joy. The great gkids were so treasured by Dad as well. Dad was an Army veteran who proudly served his country. Dad you are so missed each and every day. I feel your spirit about me so often along with Dottie!! Oh how thankful I am for your unconditional love and your servant's heart. I will see you in Heaven my precious father! You are so proud of your family as you watch our Christian legacy continue throughout your generations. I , on a daily basis , have the opportunity to share your testimony and your wisdom from God.

Tracy, We are so sorry for the loss of your father. Although I never had the privilege of meeting you Dad, I feel I knew him through our many conversations we had about him. I know he was a man of God and a man of honor. He was devoted to his children and grandchildren and passed the love of God to his next generation. May you receive comfort in the knowledge that you were truly loved and will always be his baby girl. May God bless you and comfort you through this time. Kathy Williams
