So our first shooting season has come to an end, one i will never forget! For bailey and i to be involved as much as we were was absolutely fantastic, its not really in my character to be satisfied but i could have hoped for little more. so i wanted to thank you for all the hard work, time and effort you put in for us, I'm sure i am biased but he did not look like the youngest dog with the least experience at all! All the training is excellent and your approach, knowledge, patience and above all your commitment is admirable. I am in no way finished but i wanted to say a big thank you for helping me to achieve my first goal and teaching me so that i could see my boy working so well and enjoying every minute.
