We will miss Vonna, especially all of her wonderful family stories she would tell us. We had a great laugh when she told us one of the farm hands had given her the nick name of wood rat, because she was always sitting on top of a wood pile with legs crossed, and constantly talking to him.Vonna will be greatly missed, but she will live forever in our hearts and minds.Our love to the family, Chuck and Dee Gray (Vonna was Dee's cousin)
