The sadness we feel, cannot be restored at will. A Love now missing, can be found in our blessings. A Mother lost, a partner crossed, a family weeping, sisters/brothers and grandchildren grieving. The emptiness now shared, So many broken hearts to repair, In our dreams we will wait to feel your loving embrace. The place we will meet is the light we seek, all the loved ones that have passed, A Mothers time that was too fast. Her parents and son that have waited, have her today. She will remember our laughter and tears that we've shared. And meet us that day, and we will walk with no fear. So when the sadness does come, and the tears start to break, remember that Caroline is with you and in no pain. By Joe Mauck

Dear Sweet Carol.. you will be missed so much by your family and friends. I'm so sorry I didn't keep in touch with you over the years and although we didn't talk much after I left tulsa I always considered you my friend. I will miss your wonderful sense of humor and the way you always talked to me just like I was one of your kids. thank you for being so kind to me when we first met. God bless you and keep you safe in his arms. I wish everyone could've taken a life lesson from you on how to be a friend and how to care for people you just met. god bless you Nancy and to all of Carols family. The world lost a very wonderful lady, but take care of each other and know that Carol is looking out for everyone she knew and loved and probably those she never met.
