Dear Judy and Sharon, Jackie has been a part of my life since I first met him at Cleveland Jr. High School when we were both in the 7th grade. In fact, he was my boyfriend that year for one whole week! Our friendship continued through our wonderful years at WRHS, to our 50th high school reunion last fall, and beyond. It is difficult to imagine a life without Jackie. We all loved him and will miss him.

The day I was cut from the Will Rogers football team (too small, too slow) one person came up to me and gave me a pat on the back and offered his sympathy — Jackie Davis. That unselfish act has endeared him to me forever.

I've known Jackie since Cleveland Jr. High. He had such a love for sports that he inspired others when the going got tough. I will never forget his diving into the end zone in one of our Roper football games. High school and Jackie is part of my fondest memories. I am so sorry for your loss. Just last September Jackie was on the stage with his fellow Ropers at our class reunion.
