Warren Todd Burnett

AUG 25, 1965 - APR 2, 2012

Services are to be held Monday April 9th, 2012 at 12:30 p.m., at the Floral Haven Funeral Home Chapel. Todd Burnett, 46, was born on August 25, 1965 in Fort Wayne, Indiana to Katherine and Joe Burnett. Raised in Jacksonville, Arkansas with his siblings Tanya Wilson, Tony Burnett, Teresa Haile and Tracy Gomez. Todd graduated from Jacksonville High School in 1984. He went on to Tulsa, Oklahoma where he attended Spartan School of Aeronautics and soon met the two loves of his life, Shelly and Alisha. After graduating with a degree in NDT, he began his career at DNV Industrial Services in Houston, Texas. In 1990, Shelly followed her husband-to-be to Augusta, Georgia where he became employed at Westinghouse Savannah River site. On June 21, 1991 when Todd and Shelly were married, Todd gained a daughter Alisha, mother-in-law Sandy, sister-in-law Stephanie (Kim), nephew Matthew, and niece Jordan. Shelly gained a mother-in-law Mary Katherine, father-in-law Joe, sisters-in-law Tanya (Dale), Teresa (Jeffers), Tracy, and brother-in-law Tony. Nephews Dale, Joshua Jeffers and T.J. Nieces Nicole W., Nicole B., Kellie, Erika, Sophia and Miranda. During his time in Georgia, Todd was a contractor for Raytheon Engineers and Constructors, Swain Distribution, and IESCO. In 1997 Todd accepted a job with GEA Rainey in Tulsa, Oklahoma, bringing his family back to where this love story all began. Purchasing their house in the spring of 2000, they decided Tulsa is the place they would call home. Todd became better known as 'PaPa' on October 4, 2005 when Alisha added to their family her son, Anthony Emmanuel Henry. Anthony quickly became PaPa's world. Todd's enjoyment of being outside rubbed off on Anthony. Whether it was playing on the swing set, golfing, going to the park or just sitting outside the QuikTrip eating hotdogs and people watching, these two were inseparable. He continued his career as a Field Quality Control Inspector with Globe X-Ray services until he went to John Zink in May 2011. In his free time he enjoyed

Todd, we all will miss you greatly. I met Todd back in 1986 I guess, maybe 1985. We worked at ITL together until the company moved to Houston, TX in 1990. I have kept in contact with him by phone for all these years and talking to him after all these years was always the same. He was always upbeat and very much loved being a family man. I remember when Todd and I were in Taiwan alone with some other ITL personnel. I always had a great time when I was around Todd. He was a great friend, and I will miss him dearly. My thoughts and prayers go out to his wife, daughter, grandson, and family. God bless you all.

My Dear Baby Brother, I have been blessed to have you for a brother. You have always been a wonderful person with a good sense of humor. One of my fondest memories I have of our times together is the time we played charades with Mom and Dad when we were both young adults in their home. We had so much fun. And when I acted out like I was a plane landing on an air field you thought that was the funniest thing you had ever seen! I will miss you so much. I know you are in heaven now with Mom. Tell her how much I love and miss her. I also admire you for being such a good husband, father, and grandfather. I love you so much, till we meet again. Your sister, Teresa

I first met Todd in elementary school, where we fast became the best of friends. We played little league baseball on the team his dad coached, and no one worked harder than Todd! I remember 'graduating' from 6th grade. We didn't have yearbooks, so Todd and I went around getting friends to sign our math books! He signed mine 'T-Bone.' I remember us being mad that we'd end up at different junior high schools. We used to go to his house, make fried bologna sandwiches and play Mille Bornes! I remember (as a small kid) thinking how strange it was that all the kids' names started with 'T!' I was at his house when Elvis passed! My heart goes out to the entire Burnett family. I feel as though I'm a better person for having been able to call Todd my friend.

Wow! Where do I start? Todd and I became friends early in Jr. High. My Mom immediately adopted him as one of her own. I have so many wonderful memories over the years. I've got pics of Todd and his skinny/scrawny self in our pool with goggles on that were twice the size of his head. He was always comical. He could turn the worse of a situation around just by his humor. I will cherish all the memories I have. My prayers go to the family and friends that were blessed enough to know this awesome man. I'm sure he is in Heaven cracking jokes with my Mom! I will miss you Todd until we meet again.
