Perry, I want you, the children, grandchildren and all those who dearly loved this wonderful lady to know that I am praying for you.I am so sorry for your loss.

I only met Judy a few months ago on Facebook and found her to be an engaging, fun person to post with, especially regarding our hometown of Duncan, Oklahoma. She always tried to pry Cajun food recipes out of me. She will be missed in cyberspace. RIP.

I just wanted Judy's family to know, that I went to Will Rogers grade school with Judy, had her dad for my 5th grade teacher and graduated with Judy in 1969. We had lost touch through the years, I now live in St Louis but reconnected through Facebook. It was so great hearing from her and we chatted at least once a week. What a kind soul...I never even heard that she was sick or had been sick. She was always so uplifting to everyone...that is why this is such a shock to me. I just want you to know that you are all in my thoughts and prayers...she was such a special person and lady. She will be so missed by so many. God Bless you all. Steve Wilson

I met Judy in I think 1966 or 67. She was probably 16. I was with a friend that was a classmate of hers. We all talked maybe 1 or 2 hours. I married and left Duncan in 1969. When I saw her on facebook a few months ago, I remembered her as if she were still 16. We talked on facebook often and she was still the sweet, kind person I remembered. I am so sorry for your loss but know she is in heaven. She was one of those people everyone likes and wants to talk to. Our prayers are with your family. Good buy Judy.

To Judy's precious family....she was such a good Facebook friend to me, often talking to me in the middle of the night when pain and insomnia kept me (and her) awake....Her love of her family shone through in everything she talked about. Her knowledge of Duncan and growing up there was wonderful. Her passing leaves a big hole in my heart, but I know that one day soon we will all see her again. Will be praying for you and your family in the hard days ahead.
