I am so sorry about your sweet Gracie. You are an amazing mother and Gracie gave you so much joy. Know that God will take care of her until you can be together again. I can't even begin to imagine your pain. I will pray for you and your family that every day gets easier. You are very strong and have a huge heart! I know that God will bless you with more babies to love and cherish and Gracie will continue to watch over all of you. I know we don't always know why God has chosen the ones we cherish, but he has a plan...we have to trust that Gracie is in a better place. She will never leave your heart...stay strong for her as she would not want you to be sad and wonder why. It's all in his plan. We have to trust. We love you Tiffany, and if you need absolutely anything don't hesitate to call.
