I've known you since you were two. You were one of the smartest boys I had ever met. Your soft blonde hair combed to the side like a little man. I watched you grow up. You did so well in school. You had a cute little smile. You loved your friends and knew how to laugh and make someone else smile if they needed to smile. I remember the way you mimicked like the guy on tv saying don't stop it or answering the telephone and harassing telemarketers. You were a pretty funny kid. I can still see this. I saw you develop into a handsome young man. You lost your baby brother and I remember hugging and holding you I told you things would be okay one day but I guess that day never came. I'm so sorry, Rest in Peace and fly high with your angel wings next to your baby brother. I love you.
