Words cannot express the loss that will be felt by Robert's passing. Robert was a good friend, boss, and employee. We shared our love for OSU (especially freezing our tails off at the Ice Bowl game), our kids, and our many years at McDonald's and Bolt Pak Company. Our thoughts and prayers are with Luwann, Shelley and Robbie.

I have had the privilege of knowing Robert for the past 4 years, and he was one of the kindest, friendliest people I know. He had amazing endurance considering his many health challenges, and he always treated us as if we were the only ones that needed his time, despite the many he served. I am so thankful that our lives intersected these past years, and for the opportunity to get to know him! May comfort come from the knowledge that the suffering of his physical body has ended. I wish to extend my heartfelt sympathy to his wife, and to all of his family. May you find peace and comfort in the days ahead, and in the many cherished memories of days past. We shall miss you, Robert! Our lives have been truly blessed by your friendship!
