Jeremy, I want to speak with you, I need you to hear me, I feel so very blessed to have gotten to know you over the last year, we shared so much. I knew I had become dependant on our nightly conversations and our daily texts, because I need to hear your voice now more than ever. You have become more like a brother to me than a cousin. For that I am thankful to our Lord, he gave me you and I will always feel forever blessed!! I take comfort in knowing you are now with Grandma Jackson and are in great hands and company! Until the day comes, when I to go home, I will continue to speak w/you and I know you will hear me and shake your head at me ?? I Love You Mr. Don't ever forget that!All my love, T
